Part 2 Details

[Link to Map](#)
Riders NOT participating in the procession will proceed directly to the Cemetery interment site and establish a flag line to meet the procession. Those taking part in the procession, at its conclusion, will dismount near the actual committal site and take places amongst those already in the flag line as quickly and quietly as practical. At the conclusion of the service, the flag line will be retired and flags stowed before PGR members are then debriefed and dismissed.

Part 2 Procession Escort Provided
Part 2 Support Yes Ray Franco
